+1 778 556 1713 • jahandidehroman@gmail.com • romanjahandideh.com • Roman Jahandideh • Vancouver, BC

SUMMARY

Graphic designer and marketer who pairs brand and motion craft with a researcher's grasp of how people see, backed by peer reviewed work on depth perception and color and a spatial 3D background from architecture. Builds cohesive visual systems, campaigns, and production ready assets across digital and print, and teaches design at Simon Fraser University. Vancouver, BC; authorized to work in Canada.

SKILLS

- **Software:** Adobe Illustrator, Photoshop, InDesign, Lightroom, After Effects, Premiere Pro; Figma; Canva; Autodesk Maya, Cinema 4D, 3ds Max; Unity; Revit, AutoCAD; WordPress; HTML, CSS, JavaScript (basic)
- **Design & Motion:** Brand identity, typography, layout, color theory, visual hierarchy, iconography, social and digital marketing graphics, motion graphics, 3D visualization
- **AI & Marketing:** Midjourney, Stable Diffusion, Firefly, DALL·E, Claude; Meta and Google Ads, GoHighLevel, SEO, Google Analytics, email marketing; prepress, large format output, signage

EXPERIENCE

Creative Marketing Assistant

MonAlisa Leads & Branding

2026 to Present

Vancouver, BC (Hybrid)

- Design branded ad and social media graphics in Photoshop and Illustrator, keeping every asset on brand, and use AI tools like Claude, Midjourney, and Firefly to develop content, refine copy, and speed up campaign workflows
- Build lead generation and nurturing flows in GoHighLevel, including email campaigns and automations that turn ad traffic into qualified leads
- Support paid advertising on Meta and Google, run keyword and competitor research for SEO, and review Google Analytics performance to sharpen branding, messaging, and targeting

Graphic Designer & Social Content Creator

Built With Science

2026 to Present

Vancouver, BC

- Produce story led social campaigns for a science based fitness brand, turning complex training concepts into clear, engaging visual content
- Design Instagram carousels, custom graphics, and illustrations in Photoshop and Illustrator, applying brand guidelines across typography, color, and layout
- Develop multiple creative directions per brief and refine designs with the client through revisions to final, publication ready assets

Animation Teaching Assistant

Simon Fraser University

May 2025 to May 2026

Vancouver, BC

- Taught motion graphics, 3D animation, and visual storytelling in Maya and Cinema 4D to 40 students across 3 terms
- Evaluated 20+ student projects on composition, color theory, and rendering quality, giving clear feedback against brand aligned standards

Narrative & New Media Teaching Assistant

Simon Fraser University

May 2025 to Jan 2026

Vancouver, BC

- Guided student teams through narrative driven, interactive storytelling projects emphasizing visual hierarchy and audience centered design
- Delivered structured critiques on interface layout, content presentation, and visual consistency across digital platforms

Graphic Designer (promoted from Design Intern)

Virtual Landscape Lab, Istanbul Technical University

2021 to 2024

Istanbul, Turkey

- Designed branded visual systems and interface graphics for 7 VR research projects, owning creative direction from concept to delivery
- Produced 100+ marketing assets, social and digital graphics, and presentation decks on one consistent brand system
- Delivered print ready signage, merchandise mockups, and typography driven layouts across print and digital

Independent Graphic Designer & Digital Artist

Self Directed Creative Practice

2020 to 2022

Istanbul, Turkey

- Designed animated campaigns and typography led brand identities for clients in Maya, Cinema 4D, and Adobe Creative Suite
- Built a distinct personal brand and launched 2 digital art collections on OpenSea and Foundation
